**WHY:** Pets deserve to spend their holidays in homes with loving families. With only 30% of pet homes acquiring their pets from shelters, these mega adoption events are part of a larger mission: to encourage pet-friendly homes to consider pet adoption.

“No pet should spend any day, especially the holidays, without a loving family. Adopting a pet fills your home with more love every day and will make your holidays “More Merrier,” said Petco Love president, Susanne Kogut. “You will also make holiday wishes come true for the dedicated shelter workers who work

tirelessly to save these pets. These mega adoption initiatives are really about filling communities with love – unconditional pet love.”
